RE: WINNERS OF "THE 49ER FAMILY EDUCATION SCHOLARSHIP"

The Sacramento 49er Travel Plaza aims to reward hardworking employees and their immediate family members in many ways. The 49er Board of Directors introduced our third annual 49'er Family Education Scholarship to its employees. To be eligible, all applicants had to be currently enrolled in an accredited college or graduating high school senior. Applications were judged by the 49er Board and the selections were made based on the applicants' academic merit, financial need, extracurricular activities, community activities and short essay.

The 49er Board would like to thank all the applicants that took the time and effort to apply for the scholarship. Please join me in congratulating the two winners of the 49er Family Education Scholarship:

The winners are:
Susan Ridenour (Restaurant employee) AND
Daniel Wilson (spouse of Sarah Wilson (Payroll/HR))

The 49er Family Scholarship has come into existence through the owners, Terry and Bev Rust, and the 49'er Board of Directors. We are proud to announce that Susan will receive \$3,000 and Daniel will receive \$2000 to go towards their educational expenses while in college. We hope that this scholarship will help fulfill their dreams and allow them to pursue their education peacefully.

Sincerely,

A handwritten signature in purple ink that reads "Tristen Griffith".

Tristen Griffith, President
Sacramento 49er Travel Plaza
